ICOMOS INTERNATIONAL COMMITTEE ON HISTORIC CITIES, TOWNS AND VILLAGES CIVVIH

A NEW DOCUMENT WHICH OBJECTIVES?

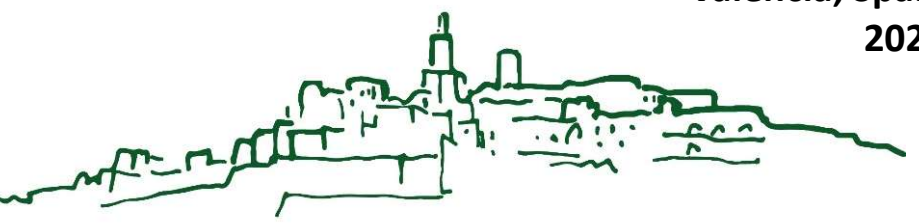

Verviers, Belgium
2021

Valencia, Spain
2024

CIVVIH

ICOMOS

comité international des villes et villages historiques
international committee on historic cities, towns and villages

**A NEW DOCUMENT
WHICH OBJECTIVES?**

- A new approach for a changing society
- Enhancing heritage within its natural environment while incorporating new social and economic data
- Create and propose innovative methods and tools
- Heritage Urban Projects as a catalyst for social cohesion

A NEW DOCUMENT

WHY?

« *Il y a des lieux qui ont de la mémoire* » / « There are places that have memory »

Luca, Italie

NEW PARADIGMS

- A population that moves within cities
- The city is a living structure in constant evolution
- A changing world
- Climate change
- Natural and political risks
- Evolution of society

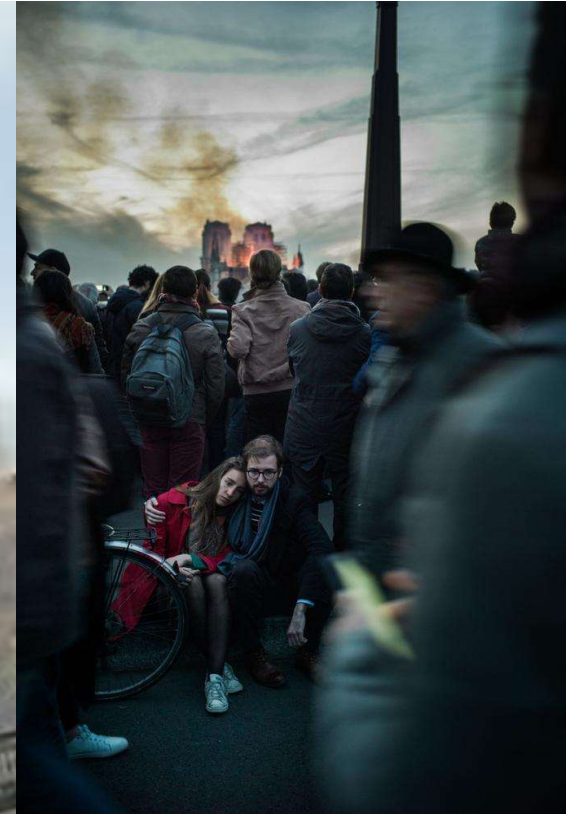

Varanasi, Inde

THE HISTORIC CITY PROJECT
WITH 3 PILLARS
2. A NEW FORM OF GOVERNANCE

Prague, Czech

2. A NEW FORM OF GOVERNANCE

- A shared vision for heritage in urban development that engages all urban actors
 - An appropriate governance framework
- Implementation of diverse, innovative sharing tools
- Inclusion of decision-makers, residents, local actors, stakeholders, and service providers

CIVVIH

ICOMOS

2. A NEW FORM OF GOVERNANCE

Carte mentale/ mind card

Dessiner votre quartier, Drawing your neighbourhood

Kond, Yeveran, Armenia

- Mediation tools
- Communication strategies and public workshops
 - Social tools
- Establishing collaborative and shared guidelines

CIVVIH

ICOMOS

THE HISTORIC CITY PROJECT
WITH 3 PILLARS

3. THE PROJECT TO BE BUILT AND TO BE SHARE

Cidade Velha, island of Santiago, Cape Verde

CIVVIH

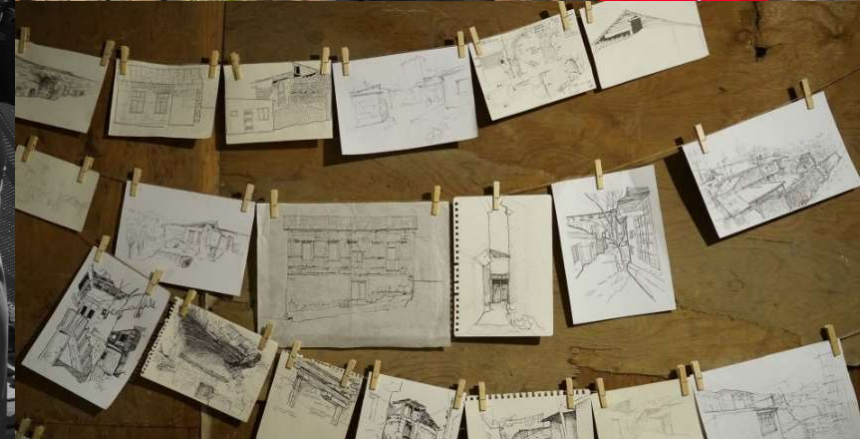

ICOMOS

3. THE PROJECT TO BE BUILT AND TO BE SHARE

- Integrating heritage into a project
 - Heritage as an ecosystem
- A cultural and ecological perspective
 - Think global act local
- A cohesive, resilient, and sustainable initiative
 - To prevent risk
- With clear, straightforward, and concise communication

Cayenn, French Guyana

Kond, Yeveran, Armenia

WHICH PROCESS?

- *A proactive approach by steps*
- *An interdisciplinary working group*
- *A flexible iteration process for implementation*
 - Consider the project's timeframe
 - *Ongoing monitoring and evaluation*
