

CZECH REPUBLIC, EUROPE

Let me welcome all participants of the meeting of the Committee ICOMOS in Český Krumlov

I would like to show you two short presentations of typical revitalization of public areas in Český Krumlov.

First presentation is about the revitalization of south meander of the Vltava river.

This revitalization has been lasting for 14 years.

The other presentation is about the revitalization of the monastery of Český Krumlov.

This revitalization lasted 14 months.

REVITALIZATION OF THE VLTAVA RIVER SOUTHERN MEANDER IN ČESKÝ KRUMLOV

Renewal of a long-term neglected historical town district
– territory of South meander of the Vltava river
This part of town has a lot of buildings in art nouveau style

The project involves the renewal of following territories and buildings:

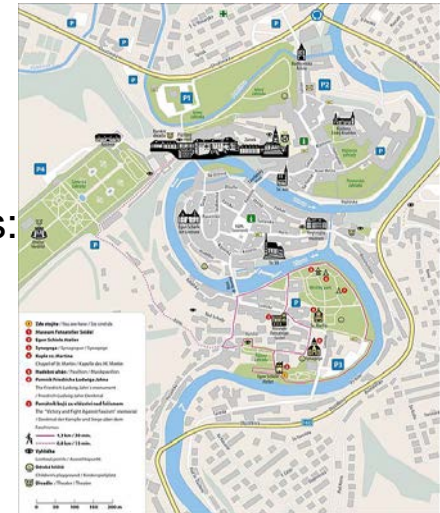

- Municipal park
- Fotoatelier Seidel Museum
- Synagogue
- Egon Schiele Garden Studio and Southern Terraces
- Rose Garden

Implementation time: 2001 - 2015

Total cost: CZK 89 mio (Euro 3 mio)

Participation: CZK 51 mio (Euro 1.9 mio)

Financed from subsidies of state budget, European Union and private sources.

- **Following pictures will show the various parts of the project.**
- **You will see summary characteristics, prices and subsidies of all projects.**
- **Various subsidy schemes have been used for this reconstructions.**
