***Please remeber regarding the organization,**

the two workshops will be made in parallel under the procedure proposed by their presidents Samir Abdulac and Teresa Colletta.
The synthesis will be made in the end.

We will formulate round tables on every workshop,
where the colleagues having declared an interest in the specific thematic section will participate by presenting their views and talking about them.

The presentations will be very short (5-8 minutes max.) in order to develop the scientific discussion.

PARTICIPATION LIST

(In alphabetical order)
