достопримечательных мест и ансамблей

And now – Saint Petersburg:

The initiators of construction the 400 m high
Gazprom tower (or “Okhta Centre”)
tried to tempt us by tales on the balanced
combination of conservation and development
But united the forces of Russian and international
zealous protectors of heritage, UNESCO’s and
ICOMOS’s experts, sensible members in our
federal government we could stop that in the last
moment

*THANKS YOU FOR YOUR
ATTENTION AND PATIENCE*
